CAMP BUSHIDO 2019

Judo & Jujitsu Training Camp

About the Camp: Camp Bushido is held at Camp MayMac in Felton, California, and has programs for all ages and ability levels. Room and board is included at camp so that you can concentrate on the judo and jujitsu sessions. **Camp begins with check-in on Tuesday, July 31st, at 4:00pm and ends with check-out on Sunday, August 5th, no later than 10:00 a.m.**

Housing is bunk bed style in cabins, with between 4 and 10 people in a single cabin. Room assignments will be made at registration to provide a safe and enjoyable camping experience. Certain requests may be considered in the room assignments (friends, siblings, etc.), but are not guaranteed. Final room assignments will be made based upon bed availability and appropriateness.

Three hearty meals will be provided daily to campers in our dining hall. If you have special dietary considerations please contact Justin Breese when registering. The first meal will be dinner Tuesday, July 30th, and the last meal served will be breakfast on Sunday, August 4th, 2019.

There is no provision for doing laundry so campers should have enough clean clothes to see them through the entire week. We strongly advise that you bring at least two uniforms. You should mark your uniforms clearly for identification. Wearing T-shirts under your gi top helps keep the uniforms fresh for a longer period of time.

Program Participation - Rules for acceptance and participation in the camp program are the same for everyone without regard to race, color, national origin, age, sex, or handicap.

Airport Transportation - San Jose International Airport is a 45 minute drive from Camp Maymac. San Francisco and Oakland International Airports are both 1.5 hours away from camp. Arrangements may be possible for transportation to camp from San Jose International Airport. Please contact either Justin Breese or Hans Ingebretsen, at the numbers provided, to work out the details.

Staff Members: In addition to our guest instructors, we have a great group of experienced staff members assisting them. Staff members are certified coaches, have undergone a background screening, are Safesport certified, are First Aid and CPR certified, and have the CDC Heads-Up concussion training. All sessions at camp are supervised by staff member to insure they are conducted safely.

Guest Instructors: Each year Camp Bushido brings in featured guest instructors. Often these instructors are well known members of the Judo and Jujitsu community. **This year camp will host Osmil Millan for Judo and Taybren Lee for Jujitsu.**

Camp Rules: All camp rules will be explained at the mandatory general meeting the first night of camp. If a camper cannot make this meeting they will still be held accountable for knowing what the rules are. Violation of camp rules may result in a camper being sent home. In the event that parents are unable to pick up their child, arrangements will be made to send the

camper home at their parent's expense. Any camper sent home for discipline problems will forfeit any camp fees paid.

Camp Rules:
